DENMARK FALLS!

Apostle Gives Order to March into New Theatre of War—Copenhagen Falls Soon After German Radio Message Intercepted in London Confirms Reports—Cruisers Enter Danish Port

A BLASTED-OUT HUSK OF A BUILDING FOLLOWING THE MOST RECENT CoR ATTACKS IN EUROPE

RECENT BATTLES IN WEST SHOW POWER OF COR WAR MACHINE

By HANSON W. BALDWIN

A week ago last Friday at dawn, the war machine of the Army of Revelations rolled into the Netherlands, Belgium and Luxembourg. Yesterday, after nine days of battle, the Church of Revelations was in complete control of Northern Europe, with Alliance forces barely holding on in organized Resistance cells mostly centered, it is believed, in Iceland and Greenland. While the Alliance still holds control of the North Atlantic via the powerful Alliance fleet, the Church of Revelations is firmly in control of almost all of mainland Europe.

The defeat of Northern Europe signals the end of years of bloody conflict in Europe, a conflict that began in 2008 when the entire population of Munich, Germany, died inexplicably overnight, leaving a single living man standing atop a building. That man, Johann Goehring, was the Dark Apostle. Within a year, he had conquered all of Germany and began his brutal subjugation of Europe under the boot heel of his Army of Revelations and in the name of his god, Leviathan.

To this day it is still uncertain from where the technology and military supremacy of the AoR came, but it is a fact that like their predecessors from World War II, the German Army possesses some of the most technologically advanced weaponry in the world.

Attempts to assassinate the Dark Apostle continue to fail.

Speaking from Vatican Headquarters in New York City, Pope John Paul VIII called the final European conquests, "The dawn of the darkest days in human history." However, the Pope called for patience and hope, and asked that all Christians avoid despair in these times, saying, "This victory—all the victories—by the Church of Revelations are hollow and empty. Hold true to your faith and love, and through the Lord Jesus Christ shall we all prevail against this pervasive darkness."

FALL OF DENMARK BODES DARK DAYS AHEAD

London, April 10 (Sunday).

—(CP)—

The Exchange Telegraph News Agency said today that Army of Revelation troops had crossed the Schleswig frontier into Denmark and the Danish garrison at Sonderburg is retreating north.

Three AoR cruisers have entered Middelfahrt harbor, the agency said. Soldiers were reported to have landed and occupied a nearby street in the port city. This seems to indicate the re-establishment of the First Fleet of Retribution and the defeat of Alliance dominance of the North Atlantic.

COPENHAGEN FALLS

New York, April 10 (Sunday). —(AP)—The New

York Times early today received from its Copenhagen correspondent advices that the Army of Revelation has occupied that city.

(At 12:15 a.m., EST, the Associated Press had been unable to get in touch with its own Copenhagen bureau since 9:47 p.m. last night.)

The Times correspondent, Svend Carstensen, also reported that three cruisers had landed troops at Middelfart, Denmark, immediately occupying the adjoining streets.

He also reported, "German troops crossed the Danish frontier."

His messages indicated that he had filed his story just ahead of a suddenly imposed censorship.

Meanwhile, the Copenhagen station, in a service message to Mackay radio here, said the station was closing down, adding, "Occupied by Army of Revelation troops."

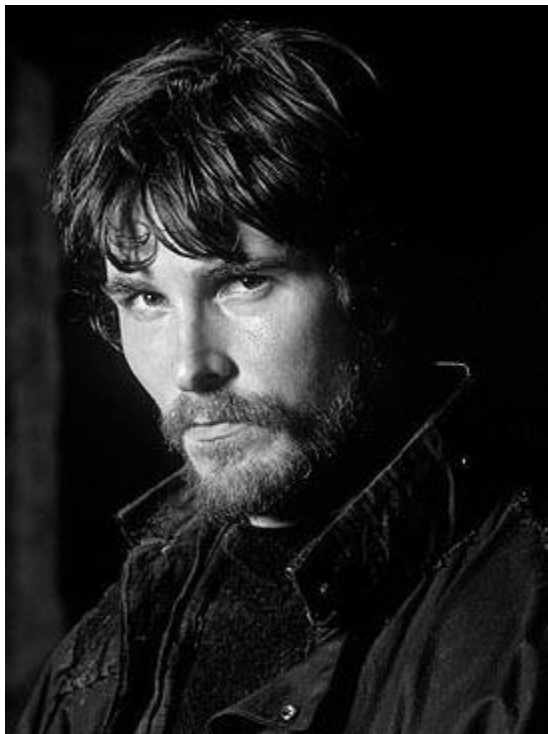

NEWS CONFIRMED

London, April 10.—(CP)—A special announcement of the German radio intercepted today by Reuters news agency said Army of Revelations troops had indeed annexed Denmark and Norway. There remain conflicting reports of Viking ships in the waters of the North Atlantic, and freak lightning strikes wreaking havoc with the remains of the AoR navy, but nothing further has been confirmed at this time.

WMDs STILL USELESS IN WAR EFFORT

Recent attempts to test nuclear weapons for use against CoR forces failed; scientists remain at a loss to explain why explosive fusion reactions will not function. Since the rise of the Dark Apostle and the first military sorties of the Army of Revelations, no atomic or nuclear weapons have functioned. Nuclear power still works; the reactions of atomic splitting still produce the amounts of energy required to support atomic and nuclear explosions, and yet no explosive force has been successfully generated by any power in the war.

Dr. Francis Goldman, chief scientific advisor to the Department of Defense, scoffs at the notion that the cause is mystical, saying "magic and mysticism are crutches for the illogical and weak-minded. Everything has an explanation; we simply have not yet discovered the scientific basis for the sudden

JOHANN GOEHRING, THE DARK APOSTLE, HEAD OF THE CoR

failure of nuclear explosives to function."

Dr. Goldman would not comment on the scientific basis for the sudden appearances of vampires, angels, and demons on the streets of every major city in the world, reciting only one word in response to the question.

"Balderdash," he said.

Don't you deserve it?
