

Greetings from London!

Hi everyone. I am in England. I heard there was a hole in the planet here where they keep dead elder gods, and I had to see it for myself. Big Ben was cool too. Bust on the whole dead god thing, though. It turns out N is a different kind of god, or something. Oh well. I'm sure I will find a way to kill him if I just keep at it. On the bright side, I have managed to annoy the crap out of him. I've also been annoying Uriel, which is also very fun.

Hope you are all well and that Drake is enjoying the crosses and holy water I left him. Will be back as soon as I take care of N, shouldn't be too long.
