SLAYING WITH VAMPS

Sung by John Forsythe and the Nocturnum Crew
To the tune of "Waltzing with Bears" as sung by Seamus Kennedy
(and with Sincere Apologies to Dr. Seuss)

by Eric Kiefer and Jason Vey

I went to the Point in the middle of the night
I sneaked in and shone my flashlight
And to my surprise, there was someone in sight
My crazy friend Walter goes slaying at night!

Chorus
He goes slay-slay-slay-slay, slaying some vamps,
Trashy vamps, slutty vamps, gothy vamps too
There's nothing on earth Crazy Walter won't do,
So he can go slaying, slay-slay-slay-slaying
So he can go slaying, slaying some vamps!

I gave crazy Walter a bullet proof vest
When he came home, there was gore on his chest,
And lately I've noticed it's torn to shreds,
I'm sure crazy Walter goes slaying the dead!
[Repeat Chorus]

We told crazy Walter that he should be good,
And stick close to us like we say he should,
But he snuck off with stakes made of wood,
I'm afraid we might lose crazy Walter for good!
[Repeat Chorus]

We begged and we pleaded, "Oh please won't you stay?"
We managed to keep him at home for a day,
But the Djinn, he broke in, and took him away!
Now he fights nosferatu, and he's gone all cuckoo,
All the baddies demand at least one fight a day!
[Repeat Chorus]

He goes slay-slay-slay-slay, slaying some vamps,
Master vamp, veteran vamp, minion vamp, too
Draco and Dracul, and Count Orlock, too!
He loves to go slaying, slay-slay-slay-slaying
He loves to go slaying, slaying some vamps!
